

**र(विकास परवानगी प्रस्ताव दाखल करताना अर्जदार / विकासक / जमिनधारक यांचेकडून रु.२००/- च्या  
स्टॅम्प पेपरवर घ्यावयाचे प्रतिज्ञापत्र)**

I, Shri. \_\_\_\_\_ (address) \_\_\_\_\_ intent to carry out development work in the site of land bearing S.No./ Gat No./Hissa No./ C.T.S. No./Property No. \_\_\_\_\_ admeasuring \_\_\_\_\_ sq.mt. of village \_\_\_\_\_, Taluka \_\_\_\_\_, Dist. Pune in accordance with section 18 of the Maharashtra Regional and Town Planning Act, 1966.

I have appointed / will be appointing the following Technical personnel / Firm for carrying out the development and construction work on the aforesaid land.

Sr.No.	Date of appointment / Agreement (if appointed)	Name of Technical personnel / Firm	Address	Scope of work and responsibility in brief / Services rendered
1		Architect		To prepare and submit the necessary layout and building plans and to verify that the development on site is done in accordance with the sanctioned plans.
2	To be communicated prior to commencement of work on site.	Structural Engineer		To study the strata and design the Structure considering various load combinations and also to check and verify the reinforcement on site before casting. To certify the design adequacy of construction work at foundation, plinth and completion stages as regards to the stability, based upon the certificates of the Licensed Site Engineer / Supervisor pertaining to quality and methodology of executed construction work.
3	To be communicate prior to commencement of work on site. (In Form B)	Full time Licensed Site Engineer / Site Supervisor  (Appointed by the Owner / Developer / Contractor)		To verify quality and grade of materials to be used on site, to strictly follow design, plans and methodology as issued by the consultants and observe standard workmanship as per NBC while supervision. To observe all safety measures while scaffolding / shuttering / all other construction elements and hygienic conditions on site.

I undertake to submit the supervision memo of licensed engineer/supervisor as well as the appointment letter of the licensed structural engineer, prior to sanction of plans/commencement of actual work on site.

The above technical personnel / agencies have agreed to render their services as mentioned in brief

as above and have signed and handed over their detail scope of work and responsibility to me. I hereby undertake to intimate any change regarding aforesaid technical personnel / agencies or in case of their resignation as soon as, if it occurs in future.

However as an Owner / Developer of the aforesaid development, I am fully responsible as per Regulation No. 7.1 of Standard Development Control and Promotion Regulations for Regional Plans Area to carry out the work strictly in accordance with the sanctioned plan and follow safety norms as prescribed by Bureau of Indian Standards by appointing required technical personal / agencies as above.

I herewith undertake to verify the foundation strata through concerned licensed technical agency on site and handover the report of the same to the Structural Engineer for preparing structural designs.

I herewith undertake not to proceed with further development without obtaining plinth checking certificate and also undertake not to occupy / allow to occupy the premises or part of it without obtaining completion certificate for the same.

FORM FOR CONSTRUCTION OF BUILDING OR LAYOUT OF BUILDING / GROUP HOUSING

Application for permission for development under Section 18 of the Maharashtra Regional and Town Planning Act, 1966

From \_\_\_\_\_  
(Name of the Owner)

To,

The Collector,  
Dist \_\_\_\_\_

Sir,

I intend to carry out the under mentioned development in the site/plot of land, on Plot No..... Town and Revenue S. No.....City Survey No.....Area ..... sq.m., Mauje .....situated at Road / Street ..... Society ..... in accordance with Section 18 of the Maharashtra Regional and Town Planning Act, 1966.

I forward herewith the following plans and statements (Item i to viii) wherever applicable, in quadruplicate, signed by me (Name in block letters) .....and the Architect / Licensed Engineer / Structural Engineer/Supervisor, (License No.....), who has prepared the plans, designs and a copy of other statements / documents as applicable.

- i) Key plan (Location Plan);
- ii) Site Plan (in quadruplicate) of the area proposed to be developed;
- iii) a detailed building plan (in quadruplicate) showing the plan, section and elevations of the proposed development work;
- iv) Particulars of development in Form enclosed (to be submitted for development other than individual buildings);
- v) An extract of record of rights, property register card (any other document showing ownership of land to be specified) along with consent of co-owners where third party interest is created.
- vi) Attested copy of receipt of payment of scrutiny fees;
- vii) Latest property tax receipt;
- viii) No Objection Certificate, wherever required.

I request that the proposed development/ construction may be approved and permission accorded to me to execute the work.

**APPENDIX H-2**  
**FORM FOR COMPLETION CERTIFICATE**  
**(LETTER BY CONSULTING STRUCTURAL ENGINEER)**

Ref. No.:-

To,

Date: --/--/-----

Collector / Authority.

Sir,

I have been appointed as Consulting Structural Engineer By M/S .....for preparing Structural Design and Drawings for the \* New structure consisting of .....floors / \*Construction of .....additional floors over the existing structure with.....floors, as described in my enclosed Design base report, based upon the Architectural drawings and other Utilities And Services requirements given by the Owner/ Developer of the development work of Building at S. No. -----Hissa No. -----Tahsil-----District . ( \* Strike out whichever is not applicable)

The following listed firms/persons are associated with the work

ARCHITECTS: - Mr.-----

OWNER/DEVELOPER: - Mr. -----

SUPERVISING ENGINEER

I hereby certify and confirm adequacy of the structural design for intended use represented through my structural drawings issued from time to time.

I am enclosing herewith undertaking of the Licensed Supervising Engineer / Owner regarding compliance with structural drawings and adherence to standard construction practices while executing the construction work. On basis of this I hereby certify that to the best of my knowledge and belief the said structure is structurally fit for the intended purpose.

I further confirm that the structural design is based upon relevant Indian Standard Coder especially,

1. IS – 456 – 2000 – Code of Practice for Plain & Reinforced Concrete Structure.
2. IS – 875 – 1987 – Code of Practice for Design Loads.
3. IS – 1893 – 2002 – Criteria for Earthquake Resistant Design of Structure.
4. IS – 800 – 1984 – Code of Practice for General Construction in Steel

As a Consulting Structural Engineer My responsibilities are limited to providing Structural Designs and Drawings in accordance with the provisions of relevant prevailing Indian Standard codes, and visits to site at specified stages called for by the Supervising Engineer for verification of reinforcement laid. All issues related to Supervision, Materials, Workmanship and execution are the sole responsibility of the Supervising Engineer and visits made by the Structural Consultants are not for Supervision since I am not responsible for supervision and quality of work.

This certificate is issued on the clear understanding that my overall design responsibility for the safety and proper performance of structural design ceases, the moment any addition and / or alteration or any damage to the structural frame is caused by accident or by tampering with the geometrical sections of structural members for any purpose whatsoever or due to overloading of the structure or lack of maintenance or any act that is detrimental to the structure as a whole.

This certificate is issued in conjunction with the certificates of the licensed engineer / owner certifying the quality of work.
